

The background is a complex collage. The top half features a dark brown, cracked, earth-like texture. Below this, on the left, is a yellowish-brown area with a spiral and some faint markings. On the right, there's a green, textured strip. The bottom half is dominated by a detailed, high-contrast black and white drawing of a person's face in profile, looking right. To the left of the face are three circular symbols containing the letters 'J', 'E', and 'J' from top to bottom. At the very bottom, there are some numbers and symbols, including '12345' and '000/5'.
